Re: Former Plattsburgh Air Force Base Open House and Restoration Advisory Board

Dear Lake Country Village HOA Board:

The United States Air Force (Air Force) would like to take this opportunity to invite you to an "Open House" on September 18, 2024, at Westside Ballroom, 253 New York Road, Plattsburgh, New York, between the hours of 6pm to 8pm. The Air Force will provide an overview of the former Plattsburgh Air Force Base (PAFB) environmental restoration program, an overview of the Per- and polyfluoroalkyl substances (PFAS) investigations, and the opportunity to ask questions regarding the above.

There will also be an opportunity to apply to become a member of the PAFB Restoration Advisory Board (RAB) during the Open House. In the event that the Air Force determines there is not sufficient interest to continue a RAB, the Air Force plans to re-solicit participation again 24 months later.

To ensure that the AF has enough handouts and the venue is large enough, please email John Carr at john.carr@cherokee-federal.com if you are interested in attending the Open House. If you have any questions or need further information, please contact me at (518) 563-2871 or david.farnsworth@us.af.mil.

Respectfully,
